

Do Not Worry

Bernike H (student of Lempin-El Generation XXX)

I give thanks to God, as He chose us in Him before the foundation of the Word, that I can be the servant of God.

In the past, I always became far away from His call because I was afraid and worried about what will happen in my future life. God said to me "Do not worry about your life, what you will eat or what you will drink, about your body, what you will put on. But seek first the kingdom of God and all these things shall be added to you."

Now, I believe that God is my strength and He will never leave me nor lie to me. I feel that God is wonderful to me, as long as I give Him all my life. He will always watch and care my life every day. I leave my job and promise to become the servant of God as my last job. It is the biggest mercy and goodness of God in my life. I want to serve Him forever because He who calls me is faithful, who also will do it.
