

Receiving Teaching Word

Tio Emma (Students of Lempin-EI Generation XXVIII)

I give thanks to God. I feel the blessings of God in my life is very great during in Lempin-EI. Yes, I can give all of my life to God in Lempin-EI.

Rev. Widjaja, who is my pastor when I was in Lempin-EI, says that a servant of God is forbidden to ask something to other people. When I heard it, I did not want to receive it but the teaching word always came into my life day by day. God's word was always opened for me and changed me. Then I said "The Lord Jesus, please forgive me."

The teaching word cleans my heart from unclean and wicked sins. I give thanks to God because He still gives me an opportunity to turn back to Him to confess all of my sins and to forgive other's sins. Thank you.
