

God's touch to my marriage and my daughter

Mrs. Christine (Krian)

A few months ago, God helped me incredibly. There was a child who fell and when someone asked me, **I replied spontaneously with the truth** when someone asked me about that. **I was mocked**, so I could only say, "God, help me". I had to tell the truth, but I received a lot of shouts and everyone blamed me because I said the truth.

Through that moment, my boss knew that there were several things to do with the day care, and praise the Lord, **God helped us wonderfully**. I felt in peace although I was mocked harshly.

The second thing, God showed **His incredible love to my daughter**. He had not felt God's touch and love, and when the word was preached about the water baptism after his father passed away, he only said "*what is the benefit of baptism for me?*". I, a mother, and the head of the family, I only said "*remember, your name is not written yet in the Kingdom of Heaven. If you keep on being stubborn, it is up to you. If I did not give you advices, I would bear your blood. Remember, you never know when you will die.*" My words might be harsh as a mother, but I should be strict to my daughter, because I could not imagine what would happen to him if he were not baptized. I said, "*If you do not listen to the word, you do not do it, your services would be in vain.*" I said that and I never repeated that again, because every time I told him about the water baptism, **he became angry**.

Praise the Lord, God's word at the end of 2013 said that there would be victory and I felt it in 2014. My victory was when **my daughter surrendered himself to receive the water baptism**. The pastor said, "*for those who want to be baptized, please take the form.*" He poked me and said, "*take it for me.*" "*What?*" And he said, "*take the form.*" "*What form?*" I pretended that I did not know, and he said "*The form for the water baptism*". At that moment, I said "*God, thank You*", God's answer to my prayer was incredible. God has answered my prayer in February 2014, and I said to my daughter, "*remember, you have to work on your salvation after the water baptism, unless your salvation will be in vain*".

God also helped us every time my daughter and I went on a round trip from Krian to Surabaya. When we experienced things that put our lives in danger, **God was never late to stretch His hands** to help us. Once, **my motorcycle was about to be hit by a truck** because of the bad weather and the visibility was poor. There was a green bus that suddenly stopped and I wanted to avoid it. However, there was a truck that passed. **God helped us amazingly** so that we were saved. The brake that I pushed did not make us fall. Those are what God has done for us. God has always helped us right at His time. Praise the Lord.

God blesses us.
