

In God Nothing is Ever Impossible

Berkat Y.T. – student of Lempin-El Generation XXIX

I am glad to explain a little of my experience in Lempin-El. My Lord Jesus Christ has done everything which actually is impossible for me for nothing is ever impossible in God.

While I was in Lempin-El, I felt many troubles but when the trouble comes in my way I always keep my hope in Jesus. When I was sick, I just prayed to the Lord. At that time Jesus touched my heart and my mind. He gave me a new strength and my faith was rising. I was healed and I felt my spirit rising. I shouted in my heart "In God nothing is ever impossible!"

I cannot stand studying in Lempin-el now if I depend on myself. I know that all of my life is only because of the compassion of the Lord. I thank to the Lord Jesus. I believe that in God nothing is ever impossible.
